Senior Portrait Sessions

Senior photo's are a once in a lifetime event. As a parent, there is SO MUCH to do in your child's senior year, you don't want to wait until the last minute for photos. Senior photos should actually be booked just after the Junior year. Many seniors want sports photos that are after the yearbook deadlines of their senior year. Basketball, Baseball/Softball, Track, Swim/Dive, etc are all after most yearbook deadlines. The yearbooks deadlines are usually right around the schools winter break.

Most photographers book up quickly, especially those wanting fall photos. We have a very small window of time in Michigan for fall photos. One day everything is green and we are waiting for those perfect peak colors to arrive, the next day there is snow on the ground, and half of the leaves are gone! It happens all the time unfortunately!

Remember to plan ahead; many seniors want to take a trip to the lake shore and take photos on South Haven or Holland's beautiful beaches, you will want to book these between their Junior and Senior year, availability is limited for these sessions. Be sure to schedule early to ensure a spot.

Unit Pricing Structure

My pricing structure is based on unit pricing for ease of ordering and the best value for your money. Units are a great way, to get only what you want. I don't want you to have a bunch of extra pictures sitting in a drawer, like the school pictures we all have. I want you to be proud to display them on your wall, and to pass them out to family with pride.

A unit is any number of sizes, that can be placed onto a 8x12 sheet.

The price per unit is \$15.00.

Any of the below is considered a unit:

1 8x10 is a unit.

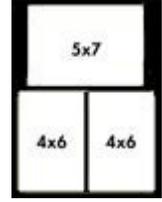

2 5x7's are a unit.

4 4x6's are a unit.

8 wallets are a unit.

1 5x7, 2 4x6's
are a unit.

Additionally: Use 2 units to purchase an 11x14 print.

Use 3 units to purchase a 16x20 print.

Note each individual unit, need to be the same pose.

Single digital files with copyright release are priced at 50.00 for the 1st image and 25.00 for each image posed image after the first. You may print these wherever you choose for personal use.

Many products are available other than prints. Canvas, acrylics, matted prints, and more are available at à la carte pricing. Inquire for details and pricing.

These packages are still unit based, but with discounted pricing as a package. You can order just a package, just units, or both. It's totally up to you. I have designed these packages with discounts to save you money, and ease the ordering process. **All portrait sessions are charged a \$50.00 session fee in addition to any packages, or units ordered.** ****I am now offering a photo CD. It will contain the edited high quality versions of your session, with a print release form. A session fee will still apply.****

Now is the time to start brainstorming about the type of photos you want. What portrays your seniors character, their hobbies, or personality. Are they a music buff, a dancer, an artist, maybe a athlete, or a farmer. These are important details to capture in our session. I look forward to planning our session. Please contact me with any questions.
