

Ryan Lindsey Photography

Sports Photography

As a photographer, my favorite photos are of athletes in action. I am usually found behind an end-zone, half court, 1st base, or anywhere I think may find a great angle to shoot from. I love sports photography and part of finding that action is knowing the game. If you know what moves are going to be made, you can predict where the play is next.

I would love to have the opportunity to be your sports photographer. I have put together packages for leagues that are fair priced, and have many options for parents to choose from. I offer a wide range of products from the usual prints, memory mates, trading cards, to acrylic statuettes, dry erase boards, custom posters, and more. I will work with leagues to donate a portion of the sales back to the league. I offer products to the coaches for donating their time as well, without them there wouldn't be a league.

If you would like Ryan Lindsey Photography to make a presentation to your board so that you may see product samples and prints, please let me know when your next meeting is. I would be happy to attend. If you have any questions, I can be reached at the addresses below. I look forward to meeting with you and hope to see everyone at next years portrait sessions.

Sincerely,

Ryan Lindsey
